

# NWPLAY304 Balance Beam

Balance walk attracts children and is a classic item on the playground, - and can also be used for obstacle races with jumps over the beam training cardio and strength. When balancing on the Balance Beam the child's balance and coordination stimulates. The balance sense is a fundamental motor skills, and helps the child concentrate. Balance Beam is a fun and challenging play equipment for children of all ages.

**DESIGNED TO PLAY**

All Norwell PLAY equipment is inspired by Norwell's well known curve, - the main element of our design, which creates a light and transparent construction. Combined with our choice of colour, it can fit into any environment and in a playful way develops the child's balance and motor skills. All our equipment expresses the best of Danish Design, quality, functionality, and aesthetics.

**SAFE DESIGN**

All the Norwell Outdoor PLAY equipment comply with the European Playground equipment standard EN1176.
